

ANGEL V. DELGADILLO JR.

AngelDelgadilloJr.com | (951) 285-5732 | adelgadillo314@ucla.edu

I am a self motivated software engineer with 8 years of experience, looking for new opportunities to grow and expand my skill set. I want to work in a collaborative and engaging work environment where I can be part of a project oriented team and make a lasting impact where I work.

WORK EXPERIENCE

Software Development Engineer II

Esri

📅 January 2020 — Present

📍 Redlands, CA

- Contribute widely to the service-driven architecture deployment of Workflow Manager in all its web, desktop and API Applications. Collaborate with teams across the organization and customers to create effective tools.
- Oversaw and implemented the development of the Python client API from scratch and created use case examples for customers. Actively add new endpoints with each new release involving geospatial and GIS technologies.
- Work across several different languages and codebases including, WPF, C#, Angular Typescript, Python and C++.
- Act as the primary developer in our WPF and Python code. Pioneer new products for Workflow Manager using effective and innovative code design.

Mascot

Anaheim Ducks

📅 August 2019 — Present

📍 Anaheim, CA

- Demonstrated exceptional skills as Wild Wing, consistently engaging and entertaining diverse audiences during home games, community events, and promotional activities.

Software Engineer

Omron Delta Tau

📅 April 2017 — December 2019

📍 Chatsworth, CA

- Innovated and implemented new features to the backend and frontend of the company's Integrated Development Environment.
- Introduced methodologies and practices that enhanced product reliability including unit testing, WPF, and Model View ViewModel Implementation.
- Collaborated with the software, hardware, and firmware departments company wide to produce efficient, clean software architecture design.
- Designed, programmed and developed a real time responsive application that interfaces with motion controller hardware.

EDUCATION

University of California, Los Angeles

Los Angeles, CA

Bachelor's of Science

March 2017

Computer Science and Linguistics
